The World of John Cage

The first complete edition of the great American innovator's piano oeuvre is now available again in one box! The 18 single CDs could not be more diversified: Steffen Schleiermacher presents the Prepared Piano, introduces the traditional Asian art and thought in music, together with Josef Christof he explores the musical cosmos, he pays an admirable Homage to Erik Satie and brings star charts of the Southern Hemisphere to our ears.

Steffen Schleiermacher is currently esteemed throughout the world as the only pianist who has set himself the life's task of mastery of the piano oeuvre of John Cage, and the music press has showered him with prizes and distinctions:

- "...ein faszinierendes Hörerlebnis..." (Crescendo)
- "Interpretazione ottima" (CD Classica)
- "...on the highest level" (Intern. Record Review)
- "...charismatisch, ideenreich, überzeugend und berührend"(Piano News)
- "John Cage strikes again." (Fanfare)
- "Un étonnant kaléidoscope sonore" (Diapason)
- "...in künstlerischer-musikalischer Hinsicht herausragend" (Klassik heute)
- "...truly outstanding" (Gramophone)
- "Discos exceptionales" (Scherzo)
